

Haciendo y decorando una bota de Navidad

(Decorating a Christmas stocking)

This activity allows students to make and decorate a Christmas stocking while learning related vocabulary.

Grade Level: K-6

Materials:

color pencils or markers

pencils

copies of the Christmas boot worksheets

scissors

Learning Experience

1. Read a Christmas Story or talk with your students about Christmas.
2. Use the flash cards to practice the Christmas Spanish vocabulary. Ask your students to repeat after you.
3. Pass out the worksheets and let them know that they will make and decorate a Christmas stocking. Explain to them that in Spanish, it is known as a Christmas boot.
4. They can cut out the stocking and the top part of stocking using red and white construction paper and then add the colored in treats. They can draw extra toys they are asking for Christmas or other sweets too.
5. They can brighten the looks of the Christmas stocking with glitter of different colors.
